NEW FREIGHT and PACKAGING POLICIES

With this new blanks offering we have changed some polices to add profitability to your usage of Pacesetter Awards for your blank lucite and crystal awards.

#1 — Many lucite products packaging have been **switched from individual white carton packaging to bulk foam pouch packaging.** We have done this to allow us to package more products into smaller master cartons. This accomplishes two things, **A** — An elimination of another level of packaging for you and **B** — **LOWER** freight costs due to the product reaching you in smaller cartons **SAVING ON DIM** weight up charging by the freight companies.

#2 — Pacesetter will be instituting several types of **FREE FREIGHT** offers throughout the year. Starting with Orders over \$150 for Blanks from this price list will ship **FREIGHT FREE** (Ground — 48 Contiguous States) until April 5th. See our website for updated offers.
